

GB2RS Local News - 21 June 2026

Next, this coming week's Local News, which is compiled from verified items which are published on the RSGB's website

Since the beginning of this year, this local section of the GB2RS news bulletin has been compiled from items which are known to be current. However, if you want to access any of the historic material, it is still available on the RSGB's web site at www.rsgb.org/main/gb2rs. If you want to submit an item for this local news section, you can send it to radcom@rsgb.org.uk or by contacting your local GB2RS newsreader. To ensure your item is included in the appropriate broadcast, please remember to add the date.

As mentioned in the main news, this is the first part of *International Museums on the Air* and the *Cockenzie and Port Seton Amateur Radio Club* is taking part. Unfortunately no further details were available when this bulletin was being prepared.

Also operational today, but, on this occasion, on 13cm, is Archie GM4KNU who has planned to activate SOTA summits in the vicinity of Glasgow.

As we also mentioned last week, the special callsign GB1500M will be in use during this final week of the BBC's 198kHz service. Members of the *West of Scotland Amateur Radio Society* have planned to be operational on various bands and on the QO100 satellite. The times of QO100 operation will be posted on GM4COX's qrz.com web page. The rest of the information is on their website www.wosars.club in the calendar section.

Now the Scottish club news ...

Starting on Tuesday, the *Dundee Amateur Radio Club* will be meeting at the Monikie Scout Hut, Panmure Road, Monikie which is located in Angus, just north-east of Dundee. For further information, visit their website at www.dundee-amateur-radio.co.uk

We have details of three meetings for Wednesday...

Firstly, the *Livingston and District Amateur Radio Society* will be holding their weekly meeting between 7 and 9pm at their clubhouse in Station Road, Broxburn in West Lothian. This will be held in a hybrid format using *Zoom*. For further information, please contact Phil, GM3ZZA by email to secretary@ladars.org.uk or look at their website at www.ladars.org.uk

Secondly, the *Galashiels and District Amateur Radio Society* will be meeting in the Focus Centre, Livingstone Place, Galashiels at 8pm. To find out more details, contact David, GM0KCN by email to committee@galaradioclub.co.uk

And finally on Wednesday - the *Inverness and District Amateur Radio Society* will be having a meeting. For further information, email Invernessradiosociety@gmail.com or look at their Facebook page.

There are two meetings on Thursday...

The first is the *Paisley Amateur Radio Club* will be meeting at the Ferguslie Sports Centre, 106 Blackstoun Road in Paisley. Visitors and new members will be made very welcome. For more information, contact their Club Secretary by email to gm0pym@gmail.com or visit their website www.parc.radio

And the second meeting is the *Aberdeen Amateur Radio Society* which will be having CW practice with Graham GM4OBD at 7pm. Following this at 7:30pm there will be the second part of a talk on *Using a VNA* by Jim Butler GM3ZMA. For more information about this Society, visit their website at www.aars.org.uk

There are two meetings on Friday...

Firstly, the *West of Scotland Amateur Radio Society* will be having a *Technical Night* when their members will be reviewing their projects and discussing some of the many technical aspects associated with amateur radio. The meeting opens at 8:00pm at the Multicultural Centre, 21 Rose Street, Central Glasgow. For more information, checkout www.wosars.club or email westofscotlandars@gmail.com.

And the second and final meeting on Friday - the *Cockenzie and Port Seton Amateur Radio Club* will be meeting for a club night in the lounge bar of the *Thorntree Inn*. To find out more information, visit their website at www.cpsarc.com or checkout their Facebook page.

Once again, a reminder that the afore-mentioned *West of Scotland Amateur Radio Society* also maintains a database of current Scottish amateur radio activities on its website. To have your net or details of any other Scottish amateur radio club activities listed on the *WoSARS'* database, or to report any changes, please contact Jack GM4COX by email to

gm4cox@gmail.com

As usual, submit your up to date items for inclusion in the GB2RS bulletin and Radcom by email to *radcom@rsgb.org.uk*
