

GB2RS LOCAL NEWS - 20 September 2026

Next, this coming week's Local News, which is compiled from verified items which are published on the RSGB's website

The GB2RS local news bulletin is intended to be compiled mainly from items supplied by the RSGB. Unfortunately, most of these have not been updated for a long time and can no longer be considered as either being current or as actual news items. In order to ensure that this particular bulletin which is being broadcast for Central Scotland is up-to-date and accurate, only items which have been verified as being current and correct have been selected. To have an item included in this broadcast, please send it to radcom@rsgb.org.uk or by contacting your local GB2RS newsreader. In order to ensure that it is included in the most appropriate broadcast, please include the date.

As mentioned in the main news *Railways on the Air* will be taking place next weekend and one local club has informed GB2RS of their planned activity. The *Livingston & District Amateur Radio Society* will be operating from the *Model Engineering Centre*, near to Uphall on the Drumshoreland Road in West Lothian, and they hope to operate using the club's callsign MS0LIV on 40m, 20m and 2m bands subject to the final aerial configuration.

Now the Scottish club news ...

Starting on Tuesday, the *Dundee Amateur Radio Club* will be meeting at the Monikie Scout Hut, Panmure Road, Monikie which is located in Angus, just north-east of Dundee. For further information, visit their website at www.dundee-amateur-radio.co.uk

We have details of four meetings for Wednesday...
